Property Modification Approval Request Form

The Declaration of Restrictions, Covenants and Conditions (a.k.a. CCRs or Deed Restrictions) of Aledo Heights require that approval must be obtained prior to the start of your project. To avoid delay, make your request as complete as possible and type or print legibly. Incomplete requests will be returned for additional information. Incorrect information or changes made after approval invalidates approval. Any deviations/changes from a submitted and approved request will require supplemental submission for approval.
